Critical Dates & Times

Menu selections, details, and estimated attendance counts are due two weeks in advance. A final attendance count must be communicated no later than three business days prior to the event.

Events guaranteed for Saturday and Sunday need to have a guarantee by 12 noon on Tuesday. Billing will be based on the guaranteed count or the actual number of guests, whichever is greater.

Please stay within the agreed-upon time frame for your function. Contact us immediately if your schedule changes and we'll make every effort to accommodate the request.

Hospitality unit functions must be concluded by 11pm in consideration of other resort guests. All functions in the Lodge or Crystal Center must be concluded by 1am, with the room vacated by 1:30am.

Pricing & Services

All pricing is subject to change. We reserve the right to make substitutions or add a surcharge should there be a significant change in pricing or product availability.

All food and beverages must be provided by Crystal Mountain. Michigan state laws prohibit guests from bringing their own alcoholic beverages into a duly-licensed establishment.

All meals are served at a specified serving time and will be left out for no more than one hour. Food prepared is to be consumed at the function and may not be removed from the event.

All prices are per person. There will be a \$50 charge for groups less than 10 people on Refreshment & Continental breaks. There will be a \$100 charge for groups less than 20 people for breakfast, lunch, or dinner entrées or buffets.

There will be no additional charge for vegetarian dishes with prior notice. Last minute additions will require an extra entrée charge.

Banquet charges are applied to a master bill unless prior arrangements have been made.

We accept most major credit cards. Groups requesting tax-exempt status must submit the appropriate documentation prior to the event.

All food and beverage, audio visual, and equipment needs are subject to a 21% service charge and the current Michigan state sales tax (6%). Room rental is subject to the current Michigan state sales tax (6%). There is an additional 20% off-site fee for functions outside of the banquet facility. Taxes and service charges are subject to change without notice.

Banquet & Meeting Rooms

Function rooms are assigned based on the number of anticipated guests. If projected counts increase or decrease, Crystal Mountain reserves the right to change the function room to one more suitable for the event. Crystal Mountain management reserves the right to limit the noise level in function rooms.

No items may be attached to walls, ceilings, or floors in any public space or function room without the prior consent of the Crystal Mountain conference or banquet staff.

All resort buildings at Crystal Mountain are smoke free as of November 1, 2007. Smoking will only be permitted in designated outdoor areas.

The host agrees to conduct the function in full compliance with resort rules and applicable state and federal laws. Crystal Mountain reserves the right to refuse any booking it considers inappropriate or inconsistent with the values, well-being, or reputation of Crystal Mountain.

Outdoor dining space is available for an additional setup charge. Ask your Conference Services Manager for details.

Miscellaneous

The host assumes full responsibility for the conduct of all guests in attendance and for damage to any part of Crystal Mountain premises or for theft of Crystal Mountain property. This also applies to hospitality unit functions. Crystal Mountain is not liable for loss, theft, or damage to property belonging to our guests.

Peak Performance

Crystal offers several ways to bring a healthy balance to your special event. This logo  indicates items that focus on using natural ingredients with a balance of proteins, starches, and fruits and vegetables.

The Crystal Mountain culinary team is dedicated to providing healthy and tasteful dishes that are prepared from the freshest and least processed ingredients available. These innovative dishes offer an ideal dietary balance

of healthy fats, carbohydrates, and lean protein prepared in lighter portion sizes. Sit back, relax, and reward yourself with Crystal's take on healthier eating.

Dietary Restrictions

Food Allergies: Our chefs are trained to understand the needs and special requirements of those afflicted by food allergies and intolerance for specific components of common foods. Our goal is to provide these guests with a delicious and thoughtfully prepared meal. Please communicate in advance the needs and restrictions of those guests and we will ensure that their meal is not an afterthought.

Vegetarian and Vegan Meals: We understand that in every group of practically any size there will be at least one guest who maintains a meat-free diet. In order to provide these guests with a meal that is in every way as well presented and conceived as the rest of the group, we will need to know some things in advance. First, there are varying degrees of vegetarians that range from those who consume dairy products to those who will not eat honey. We will need to know if these guests fit into one of two categories: Vegetarian (will eat dairy products) or Vegan (will not eat dairy products).

Vegetarian and gluten-free meals provided for special dietary needs are available at the same price as your regular entrée.

Specialty Menus

Special Event Planning: Do you have a unique theme for your event or a special menu you would like to serve for your family reunion or wedding? The Crystal Mountain culinary team and event planners have the experience and expertise to take an idea and create a successful event. Sit down with our chefs, and together we can create a menu that is tailored to your tastes and your budget.

Audio-Visual Services

We recognize that some groups may supply their own audio-visual equipment. We also recognize that this equipment most often requires additional setup assistance or troubleshooting by our technicians. For this reason, a service charge of \$50 per day will be applied.

All meeting rooms come equipped with a lectern, microphone (in larger meeting rooms), and one screen. A projector can be rented for an additional fee. Additional amplification may be rented at an upgraded cost.

All equipment is rented on a "per room" basis. A fee will apply for any equipment that is damaged or not returned.

Extensive setups/strikes may require additional labor.

Listed items, prices, and availability are subject to change. Pricing is per day/per meeting room unless otherwise noted.

Seven days advance notice is required to ensure availability.

Customers may be responsible for costs incurred as a result of cancelled requests and equipment ordered but not used if not cancelled three business days prior to the event.

Pricing for additional services and special items are available upon request.

Rates do not include special on-site delivery charges; starting at a \$50.00 minimum charge.

Technicians are available to assist in the setup or configuration of customer-owned equipment or to be present during meetings and presentations. Forty-eight hours notice is required to ensure availability, and the cost is \$75.00 per hour.

Practice sessions prior to the scheduled presentation must be coordinated with the Conference Services Manager to ensure room and equipment availability. Required A/V equipment, utilized during a practice session, will be billed at the same rates as regular presentation fees at a cost of \$60.00 per hour.

For assistance, contact your Conference Services Manager.

Audiovisual and equipment rentals are subject to a 21% service fee.
