Crystal Center:
The Best Of The Northwest

- Crystal Mountain's Crystal Center is one of northern Michigan's finest, purpose-built, four-season conference centers.
- Ergonomic seating is available in most meeting rooms.
- Classroom tables have hard, non-reflective writing surfaces and modesty panel.
- Northwest Territories conference room is equipped with ceiling mounted LCD projectors and dual 69" X 110", 16:10 aspect ratio screens. Additional rental fees may apply.
- WIFI – wireless internet access available throughout the conference center.
- Ultra-quiet heating and air conditioning systems.
- All break-out rooms have permanent, soundproof walls, built-in audiovisual capabilities, superior acoustics and opportunity for natural lighting when desired.
- Dedicated Business Center available in the Inn at the Mountain.
- Non-glare, evenly diffused lighting. Designed for comfort and productivity.
- Specialized service staff 100% dedicated to event execution.
